ML PLUS+ POLICY WORDING

ABOUT ARCH

The insurers of this insurance are the underwriters of Arch Syndicate 2012 at Lloyd's ("**Underwriters**", "**We**", "**Us**" or "**Our**").

Arch Underwriting at Lloyd's (Australia) Pty Ltd ABN 27 139 250 605 AFSL 42674 (**AUALA**) has been authorised by the insurers to act on their behalf to deal in and provide general advice and handle and settle **Claims** in relation to this insurance. AUALA is an Australian Financial Services Licensee authorised to deal in and provide general advice on general insurance products.

AUALA has a binding authority which means it can enter into, vary or cancel this insurance and handle and settle **Claims** without reference to **Us** provided it acts within the binding authority. When providing these services, AUALA acts for **Us** and does not act on **Your** behalf.

IMPORTANT NOTICES UNDER THE INSURANCE CONTRACTS ACT 1984

"Claims made and notified" general information

The information under this heading is provided for general information purposes only and does not:

- form part of the **Policy** wording
- impose any contractual obligations on any **Insured** or create contractual rights between **Us**.

Certain insuring clauses in this **Policy** wording operate on a "**Claims made and notified**" basis, which means that they:

- cover **Claims** made against the relevant **Insured** and notified to **Underwriters** in writing during the **Period of Insurance**.
- do not provide cover in relation to:
 - **Claims** made against an **Insured** after the expiry of the **Period of Insurance**, even though the event giving rise to the **Claim** may have occurred during the **Period of Insurance** (unless specified otherwise);
 - **Claims** made against an **Insured** notified or arising out of facts or **Circumstances** notified (or which ought reasonably to have been notified) under any previous **Policy**;
 - **Claims** made, threatened or intimated against an **Insured** prior to the commencement of the **Period of Insurance**;
 - facts or **Circumstances** of which an **Insured** first became aware prior to the **Period of Insurance**, and which they knew, or ought reasonably to have known, had the potential to give rise to a **Claim** under the contract;
 - **Claims** arising out of **Circumstances** noted on the **Proposal** for the current **Period of Insurance** or on any previous proposal form;
 - **Claims** arising from civil, administrative, criminal or regulatory proceeding, investigation, arbitration or adjudication that existed prior to, or was pending before, the commencement of the **Period of Insurance**.

If the **Insured** gives notice in writing to **Underwriters** of any facts that might give rise to a **Claim** against them as soon as reasonably practicable after they become aware of those facts, but before the expiry of the **Period of Insurance**, they may have rights under Section 40(3) of the *Insurance Contracts Act 1984* (Cth) (the Act) to be indemnified in respect of any **Claim** subsequently made against them arising from those facts, notwithstanding that the **Claim** is made after the expiry of the **Period of Insurance**. Such rights arise under the Act only. The terms of the **Policy** and the effect of the **Policy** is that the **Insured** is not covered for **Claims** made against them after the expiry of the **Period of Insurance**, unless specified otherwise.

Duty of Disclosure

Before any person/s enter into a **Policy** with **Us**, they have a duty under the **Act** to tell **Underwriters** anything that they know, or could reasonably be expected to know, may affect **Our** decision whether to insure them and on what terms.

They have this duty until **We** agree to insure them.

They have the same duty before they renew, extend, vary or reinstate the contract.

What We do not need to know

A person does not need to tell **Underwriters** anything that:

- reduces the risk **We** insure **You** for; or
- is of common knowledge; or
- **We** know or should know as an insurer; or
- **We** waive **Your** duty to tell **Us** about.

What happens if the duty of disclosure is not complied with?

If a person does not tell **Us** anything they are required to, **We** may cancel the **Policy** or reduce the amount **We** will pay in respect of a **Claim** under the **Policy**, or both. If the failure to tell **Us** is fraudulent, **We** may refuse to pay a **Claim** and treat the **Policy** as if it never existed.

Retroactive liability

The **Policy** does not provide cover in relation to events that occur before the commencement of the contract unless retroactive liability cover is requested in the proposal form and **We** agree to extend cover accordingly.

Average provision and allocation of loss between the Insured and Underwriters

One of the **Policy** terms provides that if the **Insured** incur **Loss** covered by the contract with other loss that is not covered by the contract, or if a **Claim** is made against the **Insured** and it is impossible to identify whether the **Loss** or the **Claim** is attributable exclusively or primarily to a covered cause, then the **Insured** together with **Underwriters** will use our best efforts to agree a fair and proper allocation of the loss between **Underwriters** and the **Insured**. If **We** cannot agree, **We** may agree to submit the dispute to a Senior Counsel. Please refer to the **Policy** wording for full details.

The **Policy** may also provide that, where the amount required to dispose of a **Claim** exceeds the limit of the sum insured in the contract, **Underwriters** will be liable only for a part of the total costs and expenses which will be the same proportion of the total expenses as the **Policy** limit bears to the total amount required to dispose of the **Claim**.

Underwriters' sanction limitation and exclusion clause

Underwriters will not be liable to pay or indemnify the **Claims** for any **Loss** or **Claim** made under the **Contract** which would expose any of **Underwriters** to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America.

ABOUT THE POLICY

Introduction

Where **Underwriters** agree to enter into a **Policy**, it is a contract between **Underwriters** and the **Insured** (see the definition of "**Insured**" for details of who is covered by this term). The **Policy** is entered into subject to the payment to **Underwriters** of the premium by the **Insured**, including government taxes and charges, and the **Policy** terms and conditions (including **Limits of Indemnity** and the **Excess/es**).

We will provide insurance in accordance with the terms of this **Policy**. This **Policy** is made up of this **Policy** wording which sets out **Our** standard terms, the Certificate of Insurance and **Schedule** (which **We** issue to confirm the issue of the contract and which contain additional information specific to the **Insured** and the **Policy**), any agreed endorsements and the **Proposal**. Please read them carefully to ensure that this **Policy** meets **Your** requirements. These are all important documents and should be carefully read together and kept in a safe place for future reference.

To be valid, this **Policy** must have attached to it the Certificate of Insurance signed by an authorised officer of Arch Underwriting at Lloyd's (Australia) Pty Ltd.

Notices

We will send all notices in relation to the **Policy** to:

- the **Named Insured's** nominated insurance intermediary, until **Underwriters** receive written notice to the contrary from the **Insured** named in the **Schedule**;
- if there is no nominated intermediary, the **Named Insured** specified in the **Schedule**, acting on behalf of all the **Insureds**.

1. Notification: What? When? Where? Who? How?

You and/or **Your** insurance broker or intermediary must send the notice to the following address and all notifications to **Us** will be deemed given if so notified in writing to:

Such notice will be effective on the date of actual receipt at the above address.

2. Your duty to minimise loss

You will take all reasonable practicable steps and precautions to avoid and minimise any liability or **Loss** which may be or is the subject of a **Claim** under this **Policy**.

3. Defence and settlement

- (a) Unless otherwise agreed by **Us** in writing, **We** have the right to investigate any **Circumstance** and the right, but not the obligation, to conduct in the name of the **Insured** the investigation, defence or settlement of any **Claim**. This right will cease on the exhaustion of the **Limit of Indemnity**.
- (b) The **Insured** agree not to settle or offer to settle any **Claim**, incur any **Defence Costs** or otherwise assume any contractual obligation or admit any liability with respect to any **Claim** without **Our** prior written consent. **We** will not be liable for any settlement, **Defence Costs**, assumed obligation or admission to which **We** have not consented to in writing.
- (c) The **Insured** agree to provide **Us** with all information, assistance and co-operation **We** reasonably request. Further, the **Insured** agree that in the event of a **Claim**, they will do nothing that may prejudice either the **Insured's** or **Our** position or any potential or actual rights of recovery. Should the handling or settlement of any **Claim** be prejudiced by the **Insured's** actions, the amount payable in respect of such **Claim** (including costs and expenses) will be reduced to reflect such prejudice.
- (d) **We** may settle any **Claim** for any amount that **We** deem reasonable and the **Insured** will consent to such settlement and provide any assistance with the resolution of the **Claim** that **We** reasonably require.
- (e) If the **Insured** withhold consent to such settlement or decline to provide the assistance **We** require, **Our** liability for all **Loss** on account of such **Claim** will not exceed the amount for which **We** could have settled such **Claim** plus **Defence Costs** accrued as at the date such settlement was proposed in writing by **Us** to the **Insured**.
- (f) The **Insured** will not unreasonably withhold any consent referred to in this general claims condition.

4. Insured's right to contest claims

If the **Insured** does not agree with a decision made by **Us** to settle a **Claim**, the **Insured** can elect to contest the **Claim** at its own expense but **Our** liability will not exceed the amount for which the **Claim** should be settled in the opinion of a Senior Counsel appointed under General Claims Condition 8. Senior Counsel.

We will pay all **Defence Costs** incurred up to the date the **Insured** notifies **Us** in writing of its election under this clause and **We** will pay the **Insured** (subject to the **Limit of Indemnity** less the **Excess**) the amount for which the **Claim** should be so settled.

The **Insured** expressly agrees that **Our** liability in respect of such **Claim** will then be at an end.

If **We** believe that the **Claim** will not exceed the **Excess**, **We** may instruct the **Insured** to conduct the investigation, defence and settlement at their own expense. Should the **Claim** subsequently exceed the **Excess**, **We** agree to reimburse the reasonable **Defence Costs** incurred by the **Insured** in excess of the **Excess**, or pay on their behalf any additional **Defence Costs**, but not exceeding the lesser of the amount Senior Counsel advised the matter should be settled for or the **Limit of Indemnity**.

5. Defence costs

- (a) **Defence Costs** are part of and not in addition to the **Limit of Indemnity** set forth in the **Schedule** and any **Defence Costs** paid by **Us** will reduce the available **Limit of Indemnity** by the amount of such **Defence Costs** paid.
- (b) Subject to General Claims Condition 6. Allocation, **We** will advance on behalf of the **Insured**, **Defence Costs** that they have incurred in connection with **Claims** made against them, prior to settlement of such **Claims**. Provided that to the extent it is finally established by judgment, settlement or other final adjudication that any such **Defence Costs** are not covered under this **Policy**, all **Insured** severally according to their interests, agree to repay to **Us** such **Defence Costs**.

6. Allocation

- (a) If a **Claim** covered by this **Policy** includes a loss or liability which is not covered by this **Policy**, **We** and **You** will use our best efforts to agree upon a fair and proper allocation between the covered and uncovered loss or liability;
- (b) If **We** and **You** cannot agree on an allocation of loss or liability, then:
 - (i) together we may agree to submit the dispute to a Senior Counsel (to be mutually agreed or failing agreement to be appointed by the current Chair of Resolution Institute whose decision will be final and whose associated costs will be regarded as **Defence Costs**); and
 - (ii) **We** will advance on a current basis **Defence Costs** that **We** believe to be covered under this **Policy** until a different allocation is agreed or is determined by Senior Counsel in accordance with this clause or is judicially determined.
- (c) Any decision by Senior Counsel under sub-paragraph (b) above, or any judicially determined allocation of loss or liability, will be applied retrospectively to all loss or liability relating to any **Claim** under this **Policy**. Any allocation or advancement on account of any amount under this **Policy** will not apply to or create any presumption with respect to the final allocation of loss or liability.

7. Order of payment

Where **You** have an overall annual single aggregate **Limit of Indemnity** for this **Policy** and have a **Claim** which is covered by one or more coverage sections, **We** will:

- (a) first pay **Loss** due under coverage Section 1 - Directors and Officers Liability / Company Reimbursement Coverage Clause 2.1 . Individual Cover; and
- (b) then pay **Loss** under any other applicable coverage sections.

8. Senior Counsel

We will not require the **Insured** to defend any legal proceedings in respect of any **Claim** against them, nor will the **Insured** be able to require **Us** to defend, on their behalf, any legal proceedings in respect of any such **Claim**, unless a Senior Counsel (to be mutually agreed upon by the **Insured** and **Us** and in default by the Chairman of the Bar Association of the state in which the **Policy** is issued) will advise that such proceedings should be defended. In formulating such advice, the Senior Counsel will take into consideration the economics of the matter, the damages and costs that are likely to be recovered by the claimant, the likely **Defence Costs** and the prospects of the **Insured** successfully defending the action. The cost of the Senior Counsel's opinion will be regarded as part of the **Defence Costs** of any **Claim**.

In the event that the Senior Counsel advises that, having regard to all the circumstances, the matter should not be defended but should be settled, provided that settlement can be achieved within certain limits that in the Senior Counsel's opinion are reasonable, then the **Insured** will co-operate with **Us** to try to effect such settlement in accordance with this **Policy**. Should the **Insured** decide to defend such a **Claim**, **Our** liability will not exceed the amount which the matter could have been resolved for in the advice of the Senior Counsel.

9. Fraudulent claims

If any **Insured** makes any application for indemnity under this **Policy** knowing that such application for indemnity is false or fraudulent, **We** may refuse to make any payment in connection with the **Claim** and may cancel the contract in accordance with the Insurance Contracts Act 1984.

10. Subrogation

We will be subrogated to the **Insured's** rights of recovery to the extent of any payment made under this **Policy**. Each **Insured** agrees to do everything necessary to secure and preserve such rights, including, but not limited to, the execution of such documents as are necessary to enable **Us** to bring proceedings in the name of the **Insured**.

11. Recoveries

We agree not to exercise **Our** rights of recovery against an **Insured**. All recoveries obtained by or on behalf of the **Insured** from parties other than an **Insured** in connection with the settlement or resolution of a **Claim**, and after deducting the reasonable cost of obtaining such recovery, will be applied in the following order:

- (a) first to the benefit of the **Insured**, where the **Insured** has contributed to a payment exceeding the **Limit of Indemnity** made to resolve the **Claim** up to the amount of that payment;

- (b) then to **Our** benefit for any amount **We** paid in connection with the **Claim**;
- (c) then to the benefit of the **Insured** for the **Excess** paid in respect of the **Claim**; and
- (d) then to the benefit of the **Insured** for any uninsured losses.

All recoveries made prior to settlement of any **Claim** will be held by **You** or the lawyer appointed to act for **Our** benefit pending any settlement. The monies will not be applied to **You** or **Us** in the order set out above until the matter has been fully resolved and all costs and expenses have been ascertained.

12. Other insurance

Upon giving notice of any **Claim** the **Insured** agree to provide **Us** with written details of any other insurance or source of indemnification that may cover or partially cover that **Claim**.
