- b) The **Insured** must, at their own cost, do all things reasonably practicable to minimise any loss, including but not limited to the **Insured's** liability in respect of any **Claim**.

- c) Each **Insured** must provide the **Insurer**, at their own cost, with all information, assistance and co-operation which the **Insurer** reasonably require, and in the event of a **Claim** or potential **Claim**, each **Insured** agrees that they will not do anything that could potentially prejudice the **Insurer's** position or our potential or actual rights of recovery.
- d) No **Insured** may settle any **Claim** or incur any **Defence Costs** or assume any contractual obligation or admit any liability nor consent to any judgment with respect to any **Claim** without the **Insurer's** prior written consent.

4.4 Allocation

The **Insurer's** liability under this policy is limited to the proportion of **Loss, Defence Costs** and other costs, which is a fair and equitable allocation as between:

- a) covered and uncovered parties; and/or
- b) covered and uncovered matters;

having regard to the relative legal and financial exposures attributed to the covered and uncovered matters and/or parties. Only **Loss, Defence Costs** and other costs incurred by covered parties in relation to covered matters will be covered by this policy, and is subject always to the terms and conditions of this policy.

The **Insurer** will use best endeavours to agree upon a fair and equitable allocation of the proportion covered under this policy, having regard to the relative legal and financial exposures attributable to covered and uncovered matters and/or parties.

If an allocation cannot be agreed then it will be determined by a suitably qualified Senior Counsel to be mutually agreed upon or, in default of agreement, to be nominated by the then President of the Bar Association of the jurisdiction in which the policy was underwritten. The Senior Counsel will make a determination as an expert based on the relative legal and financial exposures attributable to covered and uncovered matters and/or parties. Submissions made to the Senior Counsel will be in writing. Pending Senior Counsel's determination the **Insurer** will meet the **Loss, Defence Costs** and other costs on an interim basis at the percentage at which the **Insurer** contends they should be fairly and equitably allocated. After the allocation has been determined or agreed, such allocation will be applied retrospectively. The parties agree to be bound by the Senior Counsel's determination. The costs of any referral for determination to a Senior Counsel under this clause will be borne by the **Insurer**.

4.5 Defence Costs and Legal Representation Expenses

If the **Policyholder** or subsidiary pays **Loss** in respect of a **Claim** which would otherwise be covered under the terms of this policy, then the **Insurer** shall reimburse the **Policyholder** or subsidiary in respect of such **Loss**. Nothing in this clause shall override the provisions of Clause 4.3(d) above.

The **Insured** where practicable shall obtain the prior written consent of the **Insurer** before incurring **Defence Costs**, such consent not to be unreasonably withheld or delayed. The **Insurer** undertakes to respond within 7 working days of receipt of a request for such consent in relation to a notified **Claim**.

Subject to the **Insured's** compliance with Claims Conditions 4.1 and 4.3 the **Insurer** agrees to advance **Defence Costs** on an on-going basis and prior to the final disposition of a **Claim**.

4.6 Subrogation & Recoveries

Where the **Insurer** has paid any amount of **Loss** under the policy, the **Insurer** becomes entitled to assume any rights available to the **Insured** against any party to the extent of the **Insurer's** payment. On the **Insurer's** request, the **Insured** must assign all rights of recovery against any person or entity, but only to the extent that payment has been made under the policy.

The **Insured** must, at its own cost, assist the **Insurer** and provide information as the **Insurer** reasonably requires, to exercise the **Insurer's** rights of recovery and/or subrogation. This may include providing and signing statements and other documents and the giving of evidence.

Where a recovery is made, the proceeds of such a recovery will be applied as follows:

- a) firstly, to the satisfaction of all costs incurred in effecting the recovery
- b) secondly, to the **Insured** for the amount of loss in excess of the limit of liability specified in the schedule which is also in excess of any excess insurance purchased over this policy
- c) thirdly, to us and any excess **Insurer(s)** amounts paid under the policy and such excess policies
- d) finally, to the **Insured** for the amount paid in respect of the **Retention**.

4.7 Related Claims

Any **Claim(s)** or **Loss(es)** under all applicable sections of this policy, directly or indirectly arising out of or in any way connected with the same originating cause or event, will be deemed to be a single policy claim, reported at the date of the first such policy claim. Any **Claim(s)** or **Loss(es)** under all applicable sections of this policy, triggering more than one coverage section, will be deemed to be a single policy claim, and only one **Retention** shall apply, except in respect of a **Business Interruption Loss** where one **Waiting Period** shall apply.

4.8 Business Interruption Loss Calculations

In respect of Insuring Clause 1.2 only, in determining the amount of net profit (or net loss) and expenses covered under this policy for the purpose of ascertaining the amount of **Business Interruption Loss** (and otherwise); due consideration shall be given to the prior experience of an **Insured's** business before the beginning of a **Business Interruption Event**, and to the probable business an **Insured** could have performed, had no **Business Interruption Event** occurred. Provided, however that such net profit (or net loss) calculations shall not include, and this policy shall not cover, net income that would likely have been earned as a result of an increase in volume of business due to favourable business conditions caused by the impact of a **Business Interruption Event** on other businesses. All such net profit (or net loss) and expenses shall be calculated on an hourly basis and based on such an **Insured's** actual net profit (or net loss) and expenses.

SECTION 5 GENERAL CONDITIONS

The following General Conditions apply to all policies purchased and shown as having been purchased in the schedule.

Each policy purchased is to be read and interpreted as a separate contract of insurance with its own separate limit of liability, unless specified otherwise in the schedule.

5.1 Interpretation

Words and phrases appearing in bold text and where used in a policy, have the meaning defined in that policy or policies purchased by the **Policyholder** as shown in the schedule.

To the extent that there are any inconsistencies between the policy and this General Conditions Section, the terms and conditions contained in the policy will prevail.

In the policy:

- a) the singular includes the plural and the masculine includes the feminine;
- b) the headings are for descriptive purposes only; and
- c) in the event that any portion of the policy is found to be invalid or unenforceable, the remainder will remain in full force and effect.

5.2 Goods & Services Tax

The **Insurer** will charge an appropriate amount to the policyholder on account of GST.

It is the duty of the **Policyholder** to inform the **Insurer** whether or not it is entitled to an Input Tax Credit in relation to any amounts claimed under this policy.

The **Insurer's** liability to pay **loss** under this policy will be calculated having regard the **Policyholder** or any other **Insured's** entitlement to claim an Input Tax Credit.

No payment will be made to the **Policyholder**, for any GST liability on account of a covered **Claim**.

GST, Goods & Services Tax and Input Tax Credit have the meanings attributed to them under the *A New Tax System (Goods and Services Tax) Act 1999 (Cth)*.

5.3 Alteration to Risk

Subject to the **Insured's** rights under the *Insurance Contracts Act 1984 (Cth)*, the **Insured** must notify the **Insurer** in writing as soon as practicable of any material alteration to the risk during the **Period of Insurance** including:

- a) The **Insured** going into voluntary bankruptcy, administration, receivership or liquidation; or
- b) The **Insured** failing to pay debts as and when those debts become due; or
- c) The **Insured** breaching any other obligation giving rise to the appointment of a receiver or the commencement of bankruptcy or winding up proceedings.

If the **Insured** fails to do this, then the **Insurer** may be entitled to reduce its liability in whole or in part under this policy in respect of a **Claim** or the **Insurer** may cancel the policy. If the **Insured's** non-disclosure is fraudulent, the **Insurer** may also have the option of avoiding the policy from its beginning.

5.4 Change of Control

If during the **Period of Insurance** any other person, group or entity acquires control of more than 50% of the issued share capital of the **Policyholder** or of the composition of the board of the **Policyholder**, the cover provided by this policy shall be restricted so as to apply only to **Claims** in respect of **Business Interruption Events, Data Liability Events, Media Liability Events** or **Network Security Events** occurring prior to the effective date of such sale, consolidation, merger or acquisition of control, unless the **Insurer** has agreed to extend coverage under the policy and the **Policyholder** has agreed to the terms of any such extension of coverage.

5.5 Assignment

This policy and any rights under it cannot be assigned without the written consent of the **Insurer**.

5.6 Cancellation

The **Policyholder** may cancel any policy at any time by providing the **Insurer** with a minimum of 14 days written notice.

The **Insurer** may only cancel the policy for non-payment of premium and must do so in accordance with the provisions of the *Insurance Contracts Act 1984 (Cth)*.

Provided that there have been no **Claims** or notifications made on or under the policy, the **Insurer** agrees to allow a refund of premium calculated on a pro-rata basis, provided that the **Insurer** will always retain a minimum of 25% of the full annual premium.

5.7 Choice of law

This policy, including its construction, application and validity, is governed by the laws of the Commonwealth of Australia and/or the State or the Territory of Australia where the policy was issued. Any dispute relating to policy interpretation will be submitted to the exclusive jurisdiction of the Courts of the State or Territory where the policy was issued.

5.8 Limit of Liability

The limit of liability shown in Item 3 of the Schedule is the maximum amount the policy will pay, including **Defence Costs**, irrespective of the number of **Claim(s)**.

5.9 Satisfying the Retention

The **Insurer** will not make any payment, including any **Defence Cost** payment, toward any portion of any **Claim** unless the **Policyholder** pays the applicable **Retention**. The **Insured** may not insure the **Retention**, and neither sums paid toward uncovered portions of **Claims** nor payments the **Insured** recovers from another insurer or indemnifying party will erode the **Retention**.

5.10 Other Insurance

As permitted by the *Insurance Contracts Act 1984 (Cth)*, this **Policy** will only cover **Loss** to the extent that the amount of such **Loss** is in excess of any indemnity or cover available to the **Insured** in respect of that **Loss** under the **Other Insurance Policy/Policies** listed in the schedule.

5.11 Confidentiality

The **Insured** must not disclose, either personally or through any person or entity acting on the **Insured's** behalf or at the **Insured's** direction, to any third party:

- a) the existence of this policy;
- b) the nature of the indemnity provided;
- c) the limit of liability; or
- d) the amount of premium paid.

However, the **Insured** may disclose the above matters to the extent that:

- a) the **Insured** is required to do so by the law; or
- b) the **Insurer** consents to the disclosure in writing.

5.12 Several Liability of Underwriters

The obligations of the Underwriters named in the Schedule, where there is more than one Underwriter named, are several and not joint and are limited solely to the extent to their individual subscriptions to this policy. No subscribing Underwriter is responsible for the subscription of any co-subscribing Underwriter who, for any reason does not satisfy all or part of its obligations.

5.13 Currency

Any reference to premium, limit of liability, retentions, **Loss**, **Defence Costs**, or any other amounts payable by the **Insurer** under this policy are expressed and are payable in Australian Dollars. Where any payment is to be made into an admitted foreign jurisdiction, such payment is to be made and denominated in Australian Dollars at the cash rate for the purchase of Australian Dollars set by the Reserve Bank of Australia as at 4.00pm on the date which the foreign payment becomes due.

5.14 Complaints Procedures
